**Hyundai Hope  
 on Wheels**

**H** yundai Hope on Wheels event awarded \$100,000 to our local The Vannie E. Cook Jr. Children's Cancer and Hematology Center selected by Hyundai of Pharr. Helping kids fight cancer by funding pediatric research institutes across the country.

Hyundai and its U.S. dealers created Hyundai Hope on Wheels in 1998. Every time a vehicle is purchased, Hyundai and its U.S. dealers make a donation to Hyundai Hope on wheels. To date, more than \$160 million and over 800 research grants have gone to support research at Children's Hospitals across the nation.

**Handprints for Hyundai Hope On Wheels Represents:**

- Kids who survived
- Kids who are fighting
- Kids whose memories live on

Because there is nothing more personal than a handprint, each distinctive in its own way. By capturing the handprint, HHOV shares the stories, journeys and hopes of those in the fight against the disease.

One child's milestone can be another's symbol of hope! These handprints serve as a symbol!
