

# TURNERSVILLE AUTOMALL SENDS MILITARY CARE PACKAGES TO TROOPS

Jim Murphy, Acura Turnersville Service Manager, sent a note to his team asking if anyone was interested in donating items to send to his nephew, their former co-worker, who had recently deployed to Somalia. Jim's hope was to collect a few donations to send to his nephew that could be shared with others.

Turnersville Auto Mall dealerships caught wind of Jim's efforts and wanted to contribute, with the goal of providing support to the entire troop. Within a few hours Jim Murphy had a financial commitment from each dealership, along with a donation from Area Management totaling \$1,200. Purchases were made at the local Sam's Club ranging from snacks, toiletries, and sundries and the remaining money helped pay for the shipping costs.
