## **New Playset for Girl Fighting Cancer**

Toyota of Surprise, as part of the Valley Toyota Dealers of Phoenix, helped build a backyard playhouse for a 6 year old girl who is battling soft-tissue cancer. To keep this surprise a secret, Wildlife World Zoo offered the family the ultimate VIP experience, complete with rides and a private meet and greets with animals. While the family was away, Steve Chesney, owner of Professional Swing Set Installers and a team of volunteers from Valley Toyota Dealers of Phoenix assembled the set in the backyard of the family's home. After it was assembled, the set was decorated with a dazzling array of Disney merchandise fit for a princess. A crowd of family and friends gathered and greeted the returning family with a big shout of "Surprise!" to reveal the new playground.
